Privacy Statement: Our practice respects your privacy and will comply with the Privacy Act and the Australian Privacy Principles when handling your personal information (including health information). We use your personal information to help us provide services to you. We may also use your personal contact information to send you information regarding eye health, eye care and eyewear, with your consent. By providing the information requested in the first three sections of this form we will be able to make an informed decision on how to best meet your eye care and eyewear needs. We may also need to provide some personal information to third party suppliers (such as providers of mail-out and electronic distribution services and eyewear suppliers) if and to the extent necessary for them to provide the relevant goods or services (for example prescription eyewear or contact lenses). You can access all the personal information that we hold about you. Please contact us if you would like to know more about how we handle personal information or to see or obtain a copy of our full privacy policy.
